LEARN & PLAY MAH JONGG AT FAIRWAY!

Mah Jongg is a classic tile-based game that originated in China and has been enjoyed in the United States for nearly nine decades. It's a fun mix of strategy, pattern-building, and a little luck. As Julia Roberts once shared on The Late Show with Stephen Colbert: "The concept is to create order out of chaos based on the random drawing of tiles." Want a quick introduction before our sessions begin? Check out the Southern Sparrow Mahj 101 videos on YouTube to learn the basics. Lesson nights will focus on learning the fundamentals and building confidence with the tiles. Join us under the pavilion for friendly, relaxed Mah Jongg play all summer long!
